2024 FINALISTS

BiKBBI AWARDS 2024

The BiKBBI Installation Awards was launched in 2021 with the aim of shining a spotlight on excellence in our sector; recognising and celebrating companies and individuals who have excelled, prospered and gone above and beyond the call of duty as the industry continues to navigate its way through the uncertain times we currently face.

As the UK's only awards programme focused on KBB installation, we are delighted to announce the finalists for the BiKBBI Awards 2024.

The 'Best in Class' winner for each category will be announced at the BiKBBI Awards ceremony on Tuesday 6 February at QEII Centre, Westminster during a glittering black-tie event with a welcome reception, followed by a three-course meal and the Awards presentation.

It's set to be a great evening for all finalists, sponsors, stakeholders and peers. Tickets are available [here](#).

With special thanks to our sponsors.....
